## **NULIA AND CLOUD FOR WORK LAUNCH NULIA WORKS PLATFORM PARTNERSHIP**

### **Bringing Nulia Works Digital Enablement to Cloud for Work's Microsoft 365 Customers**

**Eugene, Oregon – February 2021** – Nulia is pleased to announce a partnership with Cloud for Work, who will be distributing the Nulia Works platform to their customers in the MENA region, enabling them to offer a unique bundle of Microsoft 365 with Nulia Works Digital Enablement.

Nulia Works is the first of its kind Digital Enablement solution that is platform-based and supports a continuous system of measurement, personalization, and engagement to drive digital skills development and usage. It personalizes skills development, guiding users with data-driven insights and measures success by doing in the natural flow of work, enabling users to continuously attain, maintain, and use digital skills. With the newest addition to Nulia Works, the Nulia Works for Teams app, users can continue developing Microsoft 365 skills right where they are – working in Teams.

"Nulia is pleased to partner with Cloud for Work and bring the Nulia Works Digital Enablement platform to their customers in the MENA region," says Nulia CEO Steve Zimba. "We think Nulia Works is the perfect solution for ensuring their customers unlock the full value of Teams & ALL of Microsoft 365. By providing personalized guidance to every employee, they will reach their full potential by attaining, maintaining, and using new digital skills."

"We have been experimenting at Cloud for Work with digital enablement platform solutions in our ongoing attempts to enhance adoption and sustain usage of the Cloud technologies that our customers have invested in," says Cloud for Work Managing Director, Ezzat Sayegh. "Our experience with Nulia Works has been positive as it delivers business results by personalizing skills development per employee and it contributes to the employee's behavioral change within an organization."
