NULIA AND CHABOS LAUNCH NULIA WORKS PLATFORM PARTNERSHIP

Bringing Nulia Works Digital Enablement to CHABOS' Microsoft 365 Customers

Eugene, Oregon – February 2021 – Nulia is pleased to announce that CHABOS has joined the fast-growing, global community of Nulia partners in the Digital Enablement movement, providing their customers with a unique bundle of Microsoft 365 with the Nulia Works platform.

Nulia Works is the first of its kind Digital Enablement solution that is platform-based and supports a continuous system of measurement, personalization, and engagement to drive digital skills development and usage. It personalizes skills development, guiding users with data-driven insights and measures success by doing in the natural flow of work, enabling users to continuously attain, maintain, and use digital skills. With the newest addition to Nulia Works, the Nulia Works for Teams app, users can continue developing Microsoft 365 skills right where they are – working in Teams.

"CHABOS is our first partner in Canada, and Nulia is excited to bring the Nulia Works Digital Enablement platform to their customers," says Nulia co-founder and CEO Steve Zimba. "By providing personalized guidance to every user, we think Nulia Works is the perfect platform for ensuring their customers can unlock the full value of Microsoft 365."

"Nulia Works is an extraordinary solution to help organizations improve Microsoft 365 adoption and ROI." says CHABOS President, Chantal Bosse. "The Nulia Works solution is focused on the needs of humans using technology, and providing that solution to my client base also promotes what we are really passionate about at CHABOS: helping organizations increase their technology skills and get better return on their investments."
