NULIA AND CONCOXIA LAUNCH NULIA WORKS PLATFORM PARTNERSHIP

Bringing Nulia Works Digital Enablement to Concoxia's Microsoft 365 Customers

Dublin, Ireland – December 2020 – Nulia is pleased to announce a partnership with Concoxia, who will be distributing the Nulia Works platform to their customers, enabling them to offer a unique bundle of Microsoft 365 with Nulia Works Digital Enablement.

Nulia Works is the first of its kind Digital Enablement solution that is platform-based and supports a continuous system of measurement, personalization, and engagement to drive digital skills development and usage. Nulia Works personalizes skills development, guiding users with data-driven insights and measures success by doing in the natural flow of work, enabling users to continuously attain, maintain, and use digital productivity skills. With the newest addition to Nulia Works, the Nulia Works for Teams app, users can continue developing Microsoft 365 skills right where they are – working in Teams.

"Nulia is excited to partner with Concoxia and bring the Nulia Works Digital Enablement platform to their customers," says Nulia CEO Steve Zimba. "We think Nulia Works is the perfect solution for ensuring their customers unlock the full value of Microsoft 365, all while guiding every employee to reach their full potential by attaining, maintaining, and using new digital skills."

"Concoxia are excited to partner with Nulia," says Concoxia Director, Andrea Jones. "We will deliver as part of Concoxia's Consultant led Adoption and Change 'Assess' Programme, Nulia Works, including the platform's actionable insights, together this will enable us to empower our customers to realise the potential of their most important asset, their people."

About Nulia:

Nulia is a pioneer in Digital Enablement, getting users using their digital productivity suites. Our Nulia Works platform is the first of its kind SaaS solution, supporting a continuous system of measurement, personalization, and engagement. It guides users to attain, maintain, and use digital productivity skills to realize their potential and unlock the value of Microsoft 365 in the way that works for them. With the newest addition to Nulia Works, Nulia Works for Teams app, users can continue attaining & maintaining Microsoft 365 skills in their natural flow of work. For solutions and contributions in the Microsoft Certified Partners technology community, Nulia was awarded the Modern Workplace Apps & Solutions for Microsoft Teams Awards 2020. We are headquartered in Eugene, Oregon and have our international operations based in Dublin, Ireland. To learn more, visit nulia.com.

About Concoxia:

Concoxia brings the 'People Focus' to your Digital Transformation Journey, and with over 500,000 End Users having successfully travelled on one of our Digital Skills Adoption and Culture Change transformation journeys, we specialise in your single most important asset 'your people' and their needs during your Digital Enablement. We will assess, prepare, deliver, and support your organisation through its People Digital Enablement Change and Adoption Programmes. Always driven by the Measure & Evaluate approach shared with Nulia, we will work with you to drive and deliver your business success requirements. All the while the focus will be on increasing your peoples' own digital skills and any essential culture change against agreed outcomes, allowing your organisation to work in new more effective ways. To learn more, visit our new website, concoxia.com.
