## **NULIA AND LINK SOURCE IT LAUNCH NULIA WORKS PLATFORM PARTNERSHIP**

### **Bringing Nulia Works Digital Enablement to Link Source IT's Partners and Customers**

**Eugene, Ore. – July 24, 2019** – Nulia is pleased to announce a partnership with Link Source IT to include Link Source IT offering the Nulia Works platform, providing their customers with a unique bundle of Office 365 with Nulia Works digital enablement.

The Nulia Works platform guides users with data-driven insights, providing personalized productivity skill development, engaging users to adopt lasting behavioral change in their natural flow of work. Going way beyond traditional training, Nulia Works is built as a new way to get users to continuously attain and more importantly use and maintain a wide range of digital productivity skills through the act of doing.

Link Source IT provides its clients with tailored solutions that fit their IT needs with Office 365. By combining Nulia Works digital enablement with Office 365, Link Source IT partners can now provide their customers with a unique solution to help their employees attain, maintain, and use the Office 365 productivity skills so crucial to unlocking that value.

“Nulia is excited to bring Nulia Works digital enablement to Link Source IT customers” says Steve Zimba, CEO and co-founder of Nulia. “We recognize Link Source IT as a leader in enterprise IT solutions, and we think Nulia Works is the perfect platform to get their customer’s users using Office 365 to reach their maximum productivity potential and unlock the full value of Office 365.”

“With the addition of Nulia Works, our customers get the most out of their Office 365 experience” says Lincoln Christensen, Founder and President of Link Source IT. “As an avid believer in getting things done in a timely manner, it is important to keep improving and learning what you can do with Office 365. Nulia Works does this in a fun and engaging way.”
