**TRIAL RESULTS SHOW SIGNIFICANT GAINS IN OFFICE 365 USAGE WITH NULIA WORKS**

**Nulia Works Platform Digitally Enables SEPAM Users to Increase Adoption of Office 365**

**Eugene, Ore. – July 22, 2019** – Nulia is pleased to share the results of a Microsoft-funded trial project conducted with SEPAM, a MJ Flood Technology customer. The Nulia Works platform was used by 39 SEPAM employees charged with building their teamwork skills using the Office 365 Teams, SharePoint, and OneDrive applications.

Over a 45-day period, SEPAM saw significant improvement in their employee’s teamwork skills using Office 365.

- 889%** more sent Teams messages
- 519%** more Teams calls
- 773%** more shared files in SharePoint or OneDrive
- 141%** more editing files in SharePoint
- 707%** more read Yammer posts

The Nulia Works platform guided SEPAM users with data-driven insights to provide personalized productivity skill development, engaging them to adopt lasting behavioral change in their natural flow of work. With assigned skills and outcomes chosen to meet SEPAM’s unique business objectives, SEPAM saw considerable improvements in collaboration, file-sharing, and engagement among their employees. Nulia Works unlocked the value of team work across the Office 365 suite. As a result, SEPAM will continue to use the Nulia Works platform to ensure these new skills are maintained among their users.

“It’s great to see the impact Nulia Works is having on SEPAM’s Office 365 usage” says Steve Zimba, CEO and co-founder of Nulia. “We’re very pleased to work with Microsoft and MJ

Flood Technology to help SEPAM unlock more value from Office 365. As Sepam continues to use Nulia Works, we are excited to see what they can achieve with Office 365 going forward.”

“Nulia Works gave our users confidence to engage fully with Office 365 and we have seen a significant improvement in collaboration and efficiency in getting things done” says Gus D. Kearney, Director of SEPAM. “The user experience has enabled us to seamlessly migrate technical and non-technical users across from non-company managed groups and apps to those within the envelope of Office 365.”

### **About Nulia:**

Nulia is a pioneer in Digital Enablement, getting users using their digital productivity suites. Our Nulia Works platform is the first of its kind in the SaaS productivity suite industry, supporting a system of measurement, personalization, and engagement guiding users to attain, maintain and use new digital productivity skills. We're headquartered in Eugene, Oregon and have our international operations based in Dublin, Ireland. To learn more, visit [nulia.cloud](http://nulia.cloud). Join us in sparking the Digital Enablement movement!

### **About SEPAM:**

SEPAM through its network of 14 offices around the world is a project centric organization that delivers innovative and technical solutions to the engineering and contracting industry globally for over 40 years. SEPAM offers a full range of technical and project management skills from design through procurement, construction, commissioning and start-up to assist many of the world's major companies involved in capex projects such as Fluor, DOW, KBR, CB&I, Sabic, Bayer, Servier and Saudi Aramco in developing new facilities, upgrades and retrofits.

With a multinational workforce that is flexible, experienced and capable SEPAM's integrated structure allows clients access to our worldwide resources, providing flexibility and skills to execute demanding and complex projects to the highest safety and quality standards. SEPAM has specialised experience in Electrical, Instrumentation, Automation, Quality and Health and Safety services on large-scale Petrochemical, LNG, Pharmaceutical, Sustainable Energy, Power and Infrastructure projects.
